Portugal edged Croatia 2-1 in a dramatic and controversial World Cup clash to set up a blockbuster last-16 showdown with arch-rivals Spain.

Croatia believed they had forced extra time with a stoppage-time equaliser, but Josko Gvardiol's close-range finish was ruled out for offside after a VAR review, sparking controversy.

Ivan Perisic gave Croatia the lead before Cristiano Ronaldo levelled from the penalty spot. Substitute Gonçalo Ramos then headed home the winner deep into added time to send Portugal into the Round of 16.

THE CLOCK IS TICKING

President Ferdinand Marcos Jr. … Tumingin pa

Marcos knows what's going to hit him in 2028. He's seen the Duterte train wreck, he knows it's headed his way, and he still has the time and the wherewithal to, at the very least, derail it. But can he? And would it still be up to him in the first place?

PNP Drug Enforcement Group (PNP-DEG) SOU 1 has arrested a 32-year-old woman listed as a high-value drug suspect and seized ₱850,000 worth of suspected shabu during a buy-bust operation in Bgy Dumpay Uno, Basista, Pangasinan on Thursday, says PNP DEG chief PBGen Elmer Ragay.

Ragay identified the suspect as alias "Nova," tagged by authorities as a High-Value Individual (HVI). Operatives have confiscated around 125 grams of suspected shabu with an estimated standard drug price of ₱850,000, along with other non-drug evidence.

The suspect was taken to the Lingayen Municipal Police Station for documentation and proper disposition, while the seized drug evidence was turned over to the Urdaneta City Forensic Unit 1 for laboratory examination.

The suspect is expected to face charges for alleged violation of RA 9165 or the Comprehensive Dangerous Drugs Act of 2002. (📹PNP DEG) | via Jeff Caparas, ABS-CBN News

'LET THE FACTS AND THE LAW DECIDE'... more

PRESS STATEMENT

July 3, 2026

FOR IMMEDIATE RELEASE

**STATEMENT ON THE FILING OF THE PLUNDER CASE AGAINST SEN. RODANTE MARCOLETA**

Today, we filed a plunder case against Sen. Rodante Marcoleta before the Sandiganbayan.

This was not a decision made lightly or by choice. The evidence includes three cash donations totaling ₱75 million, undeclared in the senator's SALN and campaign finance reports. This leaves our office no discretion to look away. These facts are not in dispute; the senator has publicly confirmed receiving the money, and they can be stipulated at the onset of trial. What remains is a question of law: whether these undisputed facts constitute plunder and bribery. We took an oath to enforce the law regardless of who is involved, and that oath does not waver for popularity, position, or personal relationships.

In one of the admissions, Sen. Marcoleta mentioned the term "utang na loob".

We honor "utang na loob" as one of our culture's most beautiful values. It is a debt of gratitude between family, friends, and neighbors. But it has no place in public office. A public servant owes no personal debt to any donor that supersedes what they owe the Filipino people. The moment gratitude is used to explain away ₱75 million in undisclosed money, it stops being "utang na loob" and becomes exactly what our plunder and bribery laws were written to prevent.

We recognize this case has stirred intense public debate, and we respect every citizen's right to an opinion, to rally, and to demand accountability, including from us. What we ask in return is what we ourselves commit to: let the facts and the law decide, not sentiment or fear. Senator Marcoleta retains the presumption of innocence and every right to defend himself before the Sandiganbayan. We did not choose this fight. But when the law leaves no room for silence, silence is not an option.

PLEASE Director Coco, use the CARNICTIS WORM to make the scene better so the audience doesn't get bored, CARNICTIS WORM is a fictional species of carnivorous worm-like creatures that appears in the 2005 film King Kong.

The nominated event is listed on WP:ITN/R, so each occurrence is presumed to be important enough to post. Comments should focus on whether the quality of the article and update meet WP:ITNCRIT, not the significance.

Nominator's comments: ONPE has declared her the winner, and this is the article's new nomination. Rushtheeditor talk 01:59, 3 July 2026 (UTC) [ reply ]

**Article:** High Representative for Bosnia and Herzegovina (talk · history · tag)
**Blurb:** *Christian Schmidt resigns as the **High Representative for Bosnia and Herzegovina**, with Principal Deputy Louis Crishock (pictured) being appointed as acting High Representative.*
**News source(s):** The Guardian
**Credits:** Nominated by V. L. Mastikosa (talk · give credit)

Nominator's comments: The OHR is de facto in charge of the Bosnian government through the Bonn Powers, while the position been held consistently by someone from an EU member state, and deputy from the US. The OHR very controversial, especially among Serbs. Schmidt's resignation was driven by US demands, with them and Europe coming to blows over his successor, which is seemingly part of the Trump admin's attempts to align with Dodik and to get infrastructure built by Trump's associates similar to what's in Albania with the Flamingo Revolution. The OHR article doesn't have any information on the resignation beyond the list update while Schmidt's artle has very little, and Crishock lacks one entirely so it really should be updated, I'll probably do it when I get up in the morning. V. L. Mastikosa (talk) 15:00, 2 July 2026 (UTC) [ reply ]

linked above, and per that article is a conservative estimate. Major schisms are rare, and major Catholic schisms rarer still, so I think this is ITN-worthy. his is my first ITN nom ever (I think?), so I have no opinion on whether the article is currently ready, and/or whether someone should turn that redlink first. -- Tamzin[cetacean needed] (they|xe|) 19:56, 2 July 2026 (UTC) [ reply ]

**Article:** High Representative for Bosnia and Herzegovina (talk · history · tag)
**Blurb:** *Christian Schmidt resigns as the **High Representative for Bosnia and Herzegovina**, with Principal Deputy Louis Crishock (pictured) being appointed as acting High Representative.*
**News source(s):** The Guardian
**Credits:** Nominated by V. L. Mastikosa (talk · give credit)

Nominator's comments: The OHR is de facto in charge of the Bosnian government through the Bonn Powers, while the position been held consistently by someone from an EU member state, and deputy from the US. The OHR very controversial, especially among Serbs. Schmidt's resignation was driven by US demands, with them and Europe coming to blows over his successor, which is seemingly part of the Trump admin's attempts to align with Dodik and to get infrastructure built by Trump's associates similar to what's in Albania with the Flamingo Revolution. The OHR article doesn't have any information on the resignation beyond the list update while Schmidt's artle has very little, and Crishock lacks one entirely so it really should be updated, I'll probably do it when I get up in the morning. **Marcus Trescothick** (born 1975) played first-class cricket for Somerset County Cricket Club and represented England in Test matches and One Day Internationals (ODIs). A left-handed opening batsman, he made his first-class debut for Somerset in 1993, his ODI debut in July 2000, and his Test debut a month afterwards. He held the record for the most ODI centuries of any English player and for the fastest half-century in English Twenty20 cricket. Trescothick also positioned as slip fielder and a right-handed medium pace bowler; he kept wicket for England in five ODIs and was England captain for two Test matches and ten ODIs. A stress-related illness in 2006 forced him to withdraw from the national squad. He joined Somerset in 2007 and played while working as a commentator and analyst for Sky Sports in the off-season. Hindi kuha sa rally ng mga miyembro ng Iglesia ni Cristo, o INC, noong July 1, 2026 ang larawang kumakalat sa social media na nagpapakita ng maraming taong nakaputi at nagtipun-tipon sa kahabaan ng EDSA. Ang totoo, kuha ito sa Trillion Peso March na isinagawa noong September 21, 2025.

hindi kami ang bumoto sa pamilyang ang apelyido ay kasingkahulugan ng Martial Law, censorship, torture, at enforced disappearances.

Mga biktimang kinilala mismo ng batas, hindi ng meme page, hindi ng chismis thread, at lalong hindi ng vlogger na ang degree ay Bachelor of Arts in Screenshot with Minor in Delusion.

Hindi kami ang bumoto sa pamilyang may Swiss deposits na idineklarang ill-gotten wealth ng Korte Suprema, at may estate tax case na final and unappealable.

Hindi iyan opinyon. Hindi iyan dilawan script o ingay ng talunan.

Desisyon iyan ng pinakamataas na hukuman, iyong institusyong pilit ninyong ginagawang suggestion box kapag hindi pabor sa dinidiyos ninyong apelyido.

Kayo ang bumoto sa pamilyang nagbenta ng ilusyon ng bente pesos na bigas na nauwi sa budol ng dekada, nagtayo ng sovereign fund gamit ang pera ng bayan kahit walang malinaw na paggagamitan, at ginawang lifestyle ang walang katapusang pagta-travel abroad habang ang mga pangako sa eleksyon ay matagal nang nabaon sa limot.

Isaksak niyo sa kukote ninyo:

kayo ang sumira sa tiwala sa institusyon para lang maisalba ang isang pamilya.

Kapag Supreme Court ang may ruling, political. Kapag historians ang may dokumento, biased. Kapag journalists ang may imbestigasyon, bayaran. Kapag COA ang may findings, demolition job.

Pero kapag anonymous TikTok account ang may Tallano gold fan fiction, biglang naging National Archives?

Hindi normal na gawing kalaban ang korte, audit, history, press, at academe dahil lang ayaw ninyong mabasag ang altar ng idolo ninyo. Ang tawag diyan hindi patriotism. Cult maintenance iyan with free data.

Kayo ang nagpaturo sa TikTok University kung saan ang thesis ay ginto, ang bibliography ay YouTube comment section, ang peer review ay ctto, at ang graduation song ay move on na kayo.

Isaksak niyo sa kukote ninyo:

binalaan na kayo ng kasaysayan, ng batas, ng ekonomiya, at ng mga nanay na hanggang ngayon ay naghahanap pa rin ng anak. Pero ang pinili ninyo pa rin ay nostalgia na may ring light.

Tapos ngayon, ano ang solusyon ninyo sa pamilyang may resibo ng plunder?

Palitan ng isa pang opisyal na may sariling baul ng confidential fund na resibo. Mula Swiss bank hanggang secret fund, parang buffet ng red flags, iba ang putahe, pareho ang indigestion ng bayan.

Gusto ninyong ipalit yung umubos ng 125 million pesos sa loob lang ng labing-isang araw tapos magmamaktol kapag tinanong kung saan

Gusto ninyong ipalit yung umubos ng 125 million pesos sa loob lang ng labing-isang araw tapos magmamaktol kapag tinanong kung saan napunta? Yung nabigyan na ng Notice of Disallowance ng COA at inutusang isauli ang daan-daang milyong pisong pondo ng bayan dahil ginastos nang walang kalakip na matinong resibo o dokumento?

Yung imbes na magpaliwanag sa budget hearing ay iikot ang mata, mambabastos ng nagtatanong, at gagawing palusot ang pamumulitika para lang takasan ang simpleng audit? Yung may bilyon-bilyong pisong dumadaan sa bangko base sa mismong report ng AMLC, pero nagkukunwaring simple habang malayong-malayo naman sa idineklara niyang yaman sa SALN?

Hindi pagbabago ang pagpapalit ng apelyido kung parehong kultura ng entitlement, parehong allergic sa transparency, at parehong pinapasan sa taumbayan ang bill pagkatapos ng circus.

Kayo ang pumalakpak.
Kayo ang nag-normalize.
Kayo ang naniwala sa fairy tale.

HOUSE BLESSING CONTROVERSY GOES VIRAL

LOOK: A social media post has gone viral after a netizen accused a woman of conducting a house blessing at a property allegedly rented through Airbnb while claiming it was her own home.

In the post, the netizen said the actual owner of the property was upset over the claim and challenged the woman's assertions.

The allegations have yet to be independently verified, and no statement has been issued by the parties involved as of posting. | Jason M.

ALEX EALA'S WIMBLEDON RUN CONTINUES

BREAKING: Alex Eala avenged last year's loss to Maya Joint, defeating the Australian in three sets to reach the third round of Wimbledon.

On Thursday evening (Manila time), Eala was held in a similar position, losing the first set and forcing a third set. But this time around, the Filipina dug deep and completed the job, outlasting her Australian opponent, 3-6, 6-2, 6-0, in the second round of the tournament.

'THAT IS NOT ACCOUNTABILITY, THAT IS ABUSE'

Iginiit ni SAGIP Rep. Paolo Marcoleta na layon ng plunder case laban sa kaniyang amang si Sen. Rodante Marcoleta na patahimikin ang senador.

Kinasuhan si Sen. Marcoleta dahil sa umano'y pagtanggap niya ng P75 milyong undeclared campaign donation.

"The complaint fails to explain how the alleged funds became ill-gotten. It does not identify any public transaction from which the funds were derived. It does not show that Sen. Marcoleta used his office to benefit from any donor's largesse," giit ni kongresista.

The complaint against Senator Rodante Marcoleta is structurally defective, legally incompatible, and politically suspect.

The justices in their decision in a New Hampshire case Tuesday relied on a long-settled understanding of the 14th Amendment, adopted after the Civil War, and more recent federal laws in ruling anyone born in the country is a citizen, with limited exceptions.

'ANG PAGPUPULONG NA NAGANAP SA PAGITAN NG MAYORYA AT MINORYA'

Senator Robin Padilla shared a photo from the all-senator caucus held ahead of the July 6 impeachment trial of Vice President Sara Duterte. Senators convened to prepare for the opening of the trial.

“Maraming salamat po Senator Panfilo Lacson sa pagsuporta sa mga mungkahi ni Senadora Loren Legarda,” he wrote.

Among the minority senators were Padilla and Legarda. (Facebook/Robin Padilla)
